5th Summit on Gender Equality in Computing

Poster Session | 26-27 June 2023, Athens, Greece

Event website: <http://gec23.aueb.gr/>

Important Dates

Poster Abstract Due: **May 12, 2023**

Poster Acceptance Notification: **May 20, 2023**

Poster Camera Ready: **June 18, 2023**

The Greek Chapter of ACM's Council on Women in Computing (Greek ACM-W) organizes the 5th Summit on Gender Equality in Computing. Despite the significant growth of Computer Science and Engineering and the exciting career prospects, there are still severe gender disparities in this field. The Workshop aims to bring together students, researchers and professionals in the field of Computer Science to (a) discuss and understand the reasons why there is gender disparity in individuals opting for Computer Science and Engineering, (b) celebrate and disseminate the achievements of computer professionals, women and men, in a fair and gender-equal way, (c) share experiences and stories, and (d) come up with incentives and measures to reduce gender inequalities in the field.

The Poster Session solicits posters from all areas of Computer Science and aims to offer the opportunity to **undergraduate, graduate and PhD students as well as young researchers and professionals** of any gender to engage with other researchers and professionals in the field, disseminate research work, receive comments, practice presentation skills, benefit from discussing ideas with other researchers. We also invite participants to submit their works as posters presenting the latest breakthroughs which have been developed in H2020, Horizon Europe, national, regional and international R&D projects. Submissions should present novel ideas, designs, techniques, systems, tools, evaluations, scientific investigations, methodologies, social issues or policy issues related to any area of computing. **Authors may submit original work or versions of previously published work.** Posters are ideal for presenting early stage research.

Poster Session Chairs

Maria Halkidi

George Pallis

Maria Roussou

University of Piraeus

University of Cyprus

National and Kapodistrian University of Athens

Poster Evaluation Committee

Nick Bassiliades

Eleni Constantinou

Pavlos Efraimidis

Panagiota Fatourou

John Garofalakis

George Goumas

Anastasios Gounaris

Vana Kalogeraki

Ioanna Kantzavelou

Georgia Kapitsaki

Kostas Karpouzis

Manolis Koubarakis

Malamati Louta

Kostas Magoutis

Amalia Miliou

Grammati Pantziou

Evaggelia Pitoura

Mema Roussopoulos

Maria Roussou

Demetrios Sampson

Maria Satratzemi

Athina Vakali

Iraklis Varlamis

Konstantinos Vergidis

Akrivi Vlachou

Aristotle University of Thessaloniki

University of Cyprus

DUTH and Athena Research Center

University of Crete

University of Patras

University of West Attica

University of Ioannina

National and Kapodistrian University of Athens

National and Kapodistrian University of Athens

University of Piraeus

University of Macedonia

Aristotle University of Thessaloniki

Harokopio University of Athens

University of Macedonia

University of the Aegean

Submission Instructions

Submissions take the form of an extended abstract and should introduce the area in which the work has been done and emphasize the importance of the contribution. The extended abstract must:

- be in English
- not exceed 2 pages in length
- contain a short (one paragraph) abstract
- use ACM's interim template
<https://www.acm.org/publications/proceedings-template>
- be submitted in pdf format
- be submitted electronically through **Microsoft CMT**
<https://cmt3.research.microsoft.com/GEC2023>

Accepted submissions will be archived on the event website. At least one author of each accepted submission is expected to attend the summit.
