

NOVA TELECOMMUNICATIONS- Πρακτική Άσκηση στην Διεύθυνση εποπτείας δικτύου τηλεπικοινωνιών

Join Nova and dive deep into the exciting world of telecommunications with our comprehensive subject familiarization training!

We're looking for interns who bring a basic understanding of PC and network operations, coupled with a solid grasp of English (level B2) and familiarity with Microsoft Office. But that's not all – we value communication skills and teamwork, because collaboration drives innovation.

Here's what we offer: an organized and friendly work environment where you'll feel supported, continuous training to keep you sharp, and exciting development prospects in the dynamic telco sector.

And what you will do:

- Cover NMC reporting needs
- Assist NMC list of automations
- Support the preparation of NMC handbook for internal training
- Assist NMC on handling trouble tickets towards OLOs
