

Job Post: Summer Internship in IT Department

Company: Danaos Shipping Co Ltd

Location: Akti Kondyli 14, Piraeus

Description

About us

With a long history of operating and investing in the shipping industry, **Danaos** manages one of the largest independently owned fleet of modern, large-size containerships and bulk carriers. Our dedication to innovation, safety, efficiency and environmental responsibility has helped us forge our reputation as the leading provider of containership management services in the world.

We are looking for an intern from Department of Informatics and Telecommunications to work alongside our IT team. The timeframe of internship position is between summer period and the duration is according to University terms.

During your internship journey you will be assigned to a team where you are going to learn how to perform allocated duties, and you will undertake an internship project assignment.
