Date

Application submission Instructions

Applications shall be submitted entirely online at <http://pgs.di.uoa.gr/outer/>, until the new deadline on **Sunday, July 5, 2020**.

Information to be included in your application:

1. This Application Form, to be completed online (no file submission)
Recent Photo, of passport-photo type (JPG)
Full Curriculum Vitae (PDF)
Photocopy of national Identification card (both sides, JPG)
Photocopy of Passport's main page (JPG)
2. Certified copy of official Undergraduate/first Degree(s) (PDF)
Certified copy of official Transcript(s) per submitted Degree;
if a Degree is not completed, use most recent transcript (PDF)
3. Certified copy of official Postgraduate Degree(s), if available (PDF)
4. List of relevant background courses (up to 7 per specialization, up to 7 postgrad if any)
5. Evidence of professional or research experience, if available (PDF)
6. Certified copy of Certificate of English language proficiency (PDF)
7. At least 2 referees who should send letters to: dsit_letters@di.uoa.gr (see below)
8. Publications in scientific journals or conferences, if available (PDF)
9. Any additional information (Optional)
Letter of Motivation (One page, PDF)

PDF files have an upper size limit of 2 or 3 MB. If the original documents are not in English or in Greek language, an official English translation should accompany each original document. The original (printed) documents shall be submitted by admitted students to the Secretariat at the time of registration.

Applicants should arrange for at least **2 Letters of recommendation** to be sent directly by their referees. Each referee should use an official letterhead of their organization, sign the letter and send it as a PDF file by **5 July 2020** to the address: dsit_letters@di.uoa.gr, with subject line: "*Letter for ApplicantLastName_ApplicantFirstName, RefereeLastName*", e.g. "*Letter for Smith_John, Bestprofessor*".

Email communications will not be acknowledged. No application will be examined unless all required documents are included in the submitted file.

Interviews may be conducted by mid-July and results shall be announced in late July. Courses start on October 1st, 2020.

Note: Students with a first degree from foreign institutions should have their degree recognized before they graduate from the Program. For information on the application procedure please visit the Greek NARIC web site: www.doatap.gr/en/index.php.
